HEALTH and RETIREMENT

The Willows  
Retirement Communities  
*Westborough  
Worcester*

July 28, 2020

Dear SALMON Resident Family Members,

In response to requests for less frequent direct COVID-19 updates, we will no longer send daily texts and voice messages, starting today. We will continue to update this information on our website daily, and a direct link can be found at the top of our home page at [SalmonHealth.com](http://SalmonHealth.com). Please feel free to access this information at your convenience.

Should any significant changes or important campus updates arise, we will directly communicate with those Residents and their family members by either text, email or voicemail.

As you may be aware, it has been our ongoing effort to collect family members' most up-to-date email addresses. This is our preferred method of communication for those items that are important, but not urgent, and will be a less intrusive way of getting you important information, as needed. If you have not yet had a chance to provide your email address, please contact your executive director at your earliest convenience.

We truly appreciate your assistance in this process.

Sincerely,

Richard Gordon, Chief Marketing Officer
