Dear Families, Residents, Staff and Friends,

In March of 2020 the entire healthcare community was overwhelmed by the COVID-19 virus. It was a pandemic the modern United States had never seen before. Despite our best efforts, we too were severely impacted. Throughout the entire pandemic our priority has been protecting residents and staff. We worked hard to maintain open communication with our families as to what was happening in our communities.

Today, as we continue our efforts to be transparent, I wanted to include additional information on this page our families might find helpful.

Thank you for your patience and support, it has meant a lot to our staff. The quality of our care and the quality of the customer experience remains our highest priority.

I hope you find this information helpful.

Sincerely,

matt

Matt Salmon, CEO
